Dear Brother/Sister:

Regarding participation in the Richard T. Gosser Scholarship Program, please be advised of the following:

Several years ago, Trustees of the Richard T. Gosser Scholarship Program and Presidents and Chairpersons of Local Unions affiliated with the Program took action to allow non-affiliated Local Unions the opportunity to participate by **paying a one-time fee of sixty cents (\$.60) per member** (*For example: If your local union has 100 members, your one-time payment would be \$60.00*). After you have paid the one-time initiation fee, your local will have no further obligation for payments to the Scholarship Program.

If your Local Union decides to participate in the Scholarship Program, the children of your members {**Graduating Seniors**} will be eligible to compete their **Senior Year** for one of twelve (12) four-year Scholarships totaling ten thousand dollars (\$10,000.00) each, **beginning with the next full application period following the date your Local Union affiliates with the Scholarship Program.**

This information should be presented to your membership at a Local Union meeting. If they vote to participate, simply send a check to my office, made payable to **“Richard T. Gosser Scholarship Program”** in the amount of \$.60 per member.

I hope your membership will decide to affiliate. If you have any questions, please feel free to direct them to my office.

In Solidarity,

Ken Lortz, Director
