The ROCKET

LOCAL 933 PRESIDENT Gary Holmes

Greetings Sisters and Brothers,

I would like to start off with a Special Thank You to everyone that participated and voted in the November 5, 2024 General Elections of Federal, State and Local public officials which is required, under duties of Local Union Members, Article 41: Section 3 of the UAW Constitution.

This being the last Rocket Issue of 2024, I would like to recap some of the accomplishments that have taken place this year and a few things that are upcoming.

As we already know, we have secured contracts this year with Allison Transmission, OPEIU Local 98 (office and maintenance staff at Local 933) and ABM. Coming up are contract negotiations with Rolls-Royce (contract ends Feb. 26, 2025), AFL-CIO office Staff (contract ends January 31, 2025), Ryder Integrated Logistics (contract ends April 30, 2025) and ABM's CBA opens their contract back up for negotiations on economics (deadline May 9, 2025).

From The Project Fund, a large Roof Top HVAC Unit has been replaced on the large hall; the restrooms in the Shelter House have been updated, new outside lighting and parking lot maintenance with sealcoating and restriping. I would like to recognize Cardinal for assisting us using their crane to lower the old roof unit and lift the new one into place. It's good having neighbors that help each other. I also want to recognize our union members and staff who helped with these projects, Jim Blankenship, Shane Duncan, Robert Rose, Chad Clark, Joe Norris, Scott Lawson and Dave Smotherman. Thank you!

I just can't say enough about our Standing Committees; they are great. As always, the Veterans Car Show was a huge success this year, along with the Labor Fest at Garfield Park hosted by the Greater Marion County UAW CAP Council and the Community Services Committee's Trunk or Treat event. The next events coming up at the hall will be the Community Services Committee boxing up and supplying food to needy families in our area so they can have everything they need to prepare a good Thanksgiving Day dinner for their immediate family. Then we have Breakfast with Santa and the Grinch on December 7, 2024. The next day will be the Membership Meeting on December 8, 2024. Hope to see you there; we will be having discussion and approval on the upcoming 2025 General Election.

Need a prayer or would like to get someone on a prayer list? Call the Union Hall at 317-247-6661 and ask to speak to one of our Chaplains. The Chaplaincy Committee is recognizing World Kindness Day which is observed each year on November 13th. They will be creating awareness by passing out BE KIND buttons in the workplace.

Congratulations to Sister Valerie Hodgens (RR); she was presented with the "Progressive" Leadership Award from the Region 2B Women's Advisory Committee on October 5, 2024. Valerie's involvement and dedication in representing UAW Local 933 is outstanding and greatly appreciated. Good job Val!

Please keep an eye on the Union bulletin boards and our website for upcoming education classes, events and all of our Standing Committee communications as well. Let's remember our Veterans and what they've done for us. Have a Thankful and Blessed Thanksgiving holiday and enjoy your Christmas holiday time off this year.

On behalf of the entire Executive Board we wish you, your family and friends a Merry Christmas and a Happy New Year!

In Solidarity,

CAP Corner

At the conclusion of the 2024 General Elections, coming together will be essential. Elections can be divisive, and it's natural to feel strongly about the issues and candidates representing our beliefs. Yet, beyond political affiliations, we are united by a shared vision for a better, safer, and more prosperous future for all. Soon will be a time for healing, reaching across divides, and focusing on the values and aspirations that bring us together. This unity is especially vital for building a strong labor union. Solidarity among workers is the backbone of a powerful labor movement—one that fights for fair wages, safe working conditions, and the dignity of every job. By standing together in Solidarity, we strengthen our collective voice and ensure that we all have a stake in shaping a future where workers are respected, valued, and empowered. The challenges we face are too great to tackle alone—only by uniting can we create the future we all want for our families, our communities, and generations to come.

Greater Marion County UAW CAP Council

The Importance of Organizing with the UAW: A Path Towards “A Better Tomorrow”

Introduction

In the late 20th Century, the United Auto Workers (UAW) stood as a beacon of hope and strength for millions of workers across the United States. With a peak membership of approximately 1.5 million in 1979, the UAW represented a formidable force in advocating for workers' rights and fair labor practices. However, the landscape of the American workforce has significantly changed since then. Today, the UAW faces a stark reality with a membership count of just over 971,000, a significant drop from its heyday. This decline is attributed to various challenges and despite these setbacks, the UAW continues to play a crucial role in safeguarding the interests of American workers. This article explores the importance of organizing with the UAW and how it remains a vital step towards achieving “A Better Tomorrow”.

The Decline of UAW Membership

The journey from 1.5 million members in 1979 to just over 971,000 today is marked by a series of blows to the American manufacturing sector. Job outsourcing to countries with lower labor costs, plant sell-offs and closures, and the rapid advancement of automation technologies have all contributed to the decline in UAW membership. Additionally, the introduction of tiered employment systems within companies has further eroded the stability and security of workers' positions. These changes have not only affected our numbers but also the very essence of what it means to be part of the UAW.

This article is part of a series that will be published in the Rocket over the next few issues. Next up: The Fight against Corporate Greed.

In Solidarity,
Zachary Boyd
Organizing Committee Chair, UAW Local 933/ATI Unit

UAW Local 933 Organizing Committee Mission Statement

“The UAW Local 933 Organizing Committee brings together workers to advocate for fair wages, safe working conditions, and exceptional benefits. We rally to defend workers' rights and cultivate a robust labor movement dedicated to economic and social equality. Our primary goal is to foster solidarity within our union and expand our Membership to create a brighter tomorrow.”

LOCAL 933/RR CHAIRMAN John Snow

Fighting for Workers' Rights

As I author this article your UAW Local 933/Rolls-Royce Shop Committee has been preparing for the upcoming 2025 contract negotiations. Before the Union bargains for our UAW members, we try to first establish the wants and needs of the members. That process has been completed through the collection of contract demands our members submitted in September. Union membership demands are always a terrific way to help our committee understand their needs. Your elected officials also play a significant role in our efforts to bring a good contract back for a vote in March as they deal with contractual issues daily. Thank you to all members who submitted their demands. Demands are then separated by the committee into categories such as economic, non-economic, benefits, health and safety, production, skilled trades, and general items. The demand process is broken down further by reading demands and extracting doubles. Not every demand is submitted due to the fact some demands are either already in our contract, or not beneficial to the whole membership. The Shop Committee asks for contact information in-case there are questions with demands our membership has submitted. In November 2024, the Shop Committee will begin talks with Rolls-Royce management as both sides submit their demands and the negotiating process begins. The Shop Committee has asked and received support of our UAW International Representation. This support includes legal and research departments as well as help from our UAW Aerospace Department to help ensure a level playing field as we bargain for our workers' rights.

In closing, your elected team asks for your support as we fight to erase tier wages, improve benefits, and help workers who want to retire, leave with a healthy pension and benefits. In the same breath we look to the future as we rebuild our factory with new work and new employees and a future that has job security and fair wages for current and future UAW/Rolls-Royce workers. When a profit is made by the company, we should never have to depend on an outside contractor delivery to know what our share will be. Your Shop Committee is ready, and we ask you to **Stand Up** with us as we negotiate a fair and equitable agreement for this Membership.

Since this Rocket article is just before several holidays, I would like to thank our Veterans for their service to this great country. May all our members/active/retired and families enjoy a blessed Thanksgiving and Christmas holiday and may we all start off the new year with a renewed effort to build stronger solidarity in Our Union.

Union Strong,
John Snow

LOCAL 933/ATI CHAIRMAN George Freeman III

As the year 2024 draws to a close, it is a time for reflection on the collective journey and the milestones achieved. The unity and resilience shown by the members of the UAW in the face of challenges have been nothing short of inspiring.

The ratification of the Collective Bargaining Agreement stands as a testament to the power of solidarity and the strength found in a shared vision. It is a significant accomplishment that speaks volumes about the commitment of both active and retired members.

The winter edition of The Rocket magazine is always a reminder to cherish the liberties we often take for granted. It is an opportunity to use our collective voice to foster empathy, drive positive change, and celebrate the rich tapestry of diversity that weaves together the fabric of our nation and our workplaces.

Our Veterans, who have served with unwavering dedication, deserve our deepest gratitude for safeguarding the freedoms we hold dear. The progress made across the United States is a direct result of the tireless efforts, sacrifices, and ingenuity of countless workers and union members.

In the midst of this year's adversities, finding joy and serenity in the traditions of the Holiday Season is more important than ever. It is a time to gather with loved ones, to share in the warmth of familiar customs, and to create memories that will last a lifetime. The solidarity of the UAW family remains a constant source of strength, as we collectively express our thankfulness for the many blessings we share.

Looking ahead to the New Year, there is a sense of hope and anticipation for what the future holds. With aspirations for continued peace, health, and prosperity, we stand united in our pursuit of sustained job security and the well-being of all members. As we bid farewell to 2024 and welcome the possibilities of 2025, let us carry forward the spirit of camaraderie and optimism.

Happy Holidays and Blessings to All!

Trunk or Treat

We would like to say Thank you to every single person that was involved in making Trunk or Treat a success!

Our Third Annual Trunk or Treat was a big success! Thank you to everyone that came with their family and friends; we hope everyone had a great time! We promise to have more food next year. Every year we have more and more people (which is what we want!) and it's hard to judge how much of everything we need. If everyone could please try to RSVP next year, that would be extremely helpful and would help ensure that we have enough food. Thank you so much to the Membership/Executive Board, Marion County CAP, Local 933 Retirees, The Civil and Human Rights Committee, Union Label Committee, Women's Committee and Chaplaincy Committee for their donations. Thank you to everyone that hosted a trunk or helped, Sandy Reichle for making signs and to Aaron Edwards for the straw. We could not do this without all of you! Mark your calendar to join us next year on October 25th, 2025.

We hope to see you next year!
The Community Services Committee

UAW Local 933 Veteran's Committee had another successful car show, benefiting Indy Honor Flight in 2024. This was the 12th Annual Car & Truck Show. We raised a total of \$27,190.69 which is the most ever raised. With help from our generous sponsors, registered participants, donations, spectators and volunteers we were able to make this another successful event.

We do this each year so that our Veterans get a well-deserved pat on the back, a firm handshake, and a level of respect they may not have been given before. They're given a chance to see our country's monuments that were built for them and their fallen comrades.

This event takes a lot of time and effort. Seeing how much our efforts impact Indy Honor Flight and our nation's finest, makes it all worth it. We will continue to raise money for IHF, and we'll do our due diligence to make the Car Show bigger and better each year with innovative ideas. To all those who had a hand in this, thank you very much for your generosity with your time and/or money. See you next year!

INDY Labor Fest

Indy LaborFest 2024 was a tremendous success, bringing together the community in celebration of the spirit of organized labor. Held at Garfield Park, the event fostered unity and pride, drawing attendees from all over Indiana to enjoy a day filled with games, prizes, giveaways, and attractions. Live bands kept the energy high, while the wrestling matches captivated audiences of all ages. Local vendors offered a diverse selection of goods, creating a vibrant marketplace atmosphere. With free admission, LaborFest was a heartfelt way to give back to the community, showcasing the core values of organized labor. While food trucks and beer vendors offered options for purchase, the spirit of generosity was evident throughout the day, and the community's enthusiastic participation made this event unforgettable. A special thank you to UAW Region 2B, UAW Local 933 and The Greater Marion County UAW CAP Council for sponsoring this event.

In Solidarity
Brian Bourff, Chairman
Greater Marion County UAW CAP Council

UAW LOCAL 933 WOMEN'S COMMITTEE

STANDUP-SPEAKUP-SHOWUP was the theme for the 2024 International UAW Women's and TOP Conference this year.

The UAW Women's Department was created in 1955 to focus attention on the issues and concerns of women in the workplace and to provide education aimed at motivating women to become active in their unions.

Through the stories of more than 15 great speakers, they educated us on things from getting involved in your local's committees; helping a member in a mental health crisis; skilled, smart, successful and significant women in the trades; to how to get out the votes; which we all did a phone banking exercise to our members. We participated in a Women's Rally and had a day for "Rosie the Riveter" attire.

I would like to send a shout out to International TOP Department Director Laura Dickerson, International Women's Department Director LaShawn English, International TOP Department Head, Rod Heard and International Women's Department Head, Ashley Lewis. Great conference!

In Solidarity,
Valerie Hodgens, Rolls-Royce Unit
Executive Board Member-at-Large
Liaison/Women's Committee
